However, the commercial grade dispatch console furniture, related (equipment, parts, and components), and related services awarded must be available to the PSAPs/procuring entity should the PSAPs/procuring entity elect to make any purchases. The PSAPs' fiscal agent shall retain ownership of any dispatch furniture and related (equipment, parts, and components) purchased pursuant to this agreement. Other procuring entities shall retain ownership of any commercial grade dispatch furniture and related (equipment, parts, and components) purchased pursuant to this agreement.

The submitted cost/price response to this bid request should NOT include state gross receipts tax or local option tax. Such tax or taxes shall be included in submitted quotes and invoices at the current rate and shown as a separate item to be paid by the procuring entities after the awards resulting from this bid request. The taxes will be paid by the E-911 Program on behalf of the PSAPs. A Type 9 nontaxable transaction certificate (NTTC) may be issued by New Mexico Taxation and Revenue Department upon the request of the awarded Bidder.
